Spring

John gave Mary a present. A jacket made my house. My  
Mom cooks really well. My brother is a nerd. My boyfriend gave  
me a cute bracelet. Change your boyfriend once a month. My  
boyfriend kissed my sister! What a jerk! My mom  
baked a cake. Yuck! Who broke the kitchen window?  
---Er... me. We aren't cosy, sweet, and idiot. I know  
Fukui very well. Don't believe Tom. --- He's a liar!  
Some people want money. Others want love. That lady has  
15 cats. I don't have time for oranges.  
My mom says we all the time.

Summer

They ignored me  
all day. I don't love you anymore.  
My girlfriend takes me for granted. Reassured us to a  
friend and got a free gift. I laughed until I cried. Hurry!  
Our train leaves soon! I can't talk now. My favorite show  
starts in five minutes. My coworker complains all the time  
Your package arrived yesterday. We're leaving for Louisa  
township. We're all going out later, arriving at 6pm.
